VUZIX LX1

Hat Mounting Guide

1. Slide the hat mounting clips upwards onto the side of the hat. Repeat for both sides.

2. Fold the inner hat band over the clip tabs to lock into place. Repeat for both sides.

3. Mount the device over the hat, pressing the tabs into the slots.
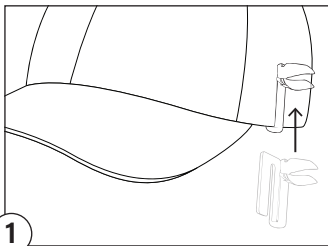

Click to mount.

Pinch to release.

4. Slide the back of the hat into the rear clip marked in blue to secure the device.
